naturaled®

USL | Utility Strip Light

DESCRIPTION

naturaLED® Utility Strip Light provides the perfect solution for your lighting needs. The LED utility strip light maximizes energy savings and is designed for multiple applications including retrofit and new construction. The fixture is 48-inches long and can be installed end to end. The LED Utility Strip Light can be used for warehouse, parking garages, stairwells, offices, hallways and many other applications in industrial, commercial and residential. Types of installation include ceiling, wall, chain or cable mounting. Our Utility Strip Light is very versatile, efficient and is available in 40 watt, 4000K and 5000K delivering excellent, consistent color.
